Yunji Kim, President and CEO of EBMC, commented “Our new products are a healthy mix of innovative new formulations and established nutraceuticals already popular in the market. We are confident the launch of these products will add great value to our shareholders and position EBMC closer to becoming a leader in the natural health industry.”

On Behalf of the Board,  
Yunji Kim  
President & CEO  
604-247-2100

*CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS: This news release contains certain "forward-looking statements" within the meaning of such statements under applicable securities law. Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur. These statements are only predictions. Various assumptions were used in drawing the conclusions or making the projections contained in the forward-looking statements throughout this news release. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. There is no assurance that the new products will produce the revenue increase the Company expects. The Company is*

*under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.*

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
