NEWS RELEASE

Eastwood Bio-Medical Canada Publishes Corporate Presentation for Conference

September 26, 2018 – Richmond, British Columbia – Eastwood Bio-medical Canada Inc. (TSX-V: EBM) (the “Company”) is pleased to announce the publication of a new investor deck in preparation for The 19th Annual GCFF Vancouver Conference on October 13th, 2018 and the Shenzhen Investing in North American Innovation Conference 2018 on November 29th, 2018.

Yunji Kim, President and CEO commented, “The origins and history of Eleotin[®] are unique. We are excited to begin telling in fuller detail the extraordinary journey the brand has gone through. We have always enjoyed dedicated clientele, who have provided thousands of moving testimonials in the course of Eleotin[®]’s two decades. This is an opportunity for us to tie in our academic and experimental past with a future that includes quality manufacturing and marketing.”

The investor deck will be available at www.eleotin.ca/investors

About Eastwood Bio-Medical Canada, Inc.:

The Company is a Vancouver based company whose Eleotin[®] brand of products provide natural sourced solutions for metabolic syndromes such as blood glucose control, obesity, and hypertension.

Eleotin[®] was initially developed by the scientists at the Julia McFarlane Diabetes Research Center (JMDRC) at the University of Calgary in Alberta, Canada. The JMDRC is a leader in research on the cause, cure, and prevention of Type I and Type II diabetes. After the initial development by the JMDRC, research and development were continued by Eastwood Bio-medical Research Inc., the Company, and other institutions around the world, including Tsinghua University of the People’s Republic of China. Eleotin[®] products have been endorsed by thousands of doctors and diabetes associations around the globe.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS: This news release contains certain "forward-looking statements" within the meaning of such statements under applicable securities law. Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur. These statements are only predictions. Various assumptions were used in drawing the conclusions or making the projections contained in the forward looking statements throughout this news release. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. There is no assurance that the new products will produce the revenue increase the Company expects. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
